- Moveable pieces within Google Slides™ and Seesaw™

babblingobby.net

This detailed view shows the 'Letter Sound Match' activity. It features a grid of five colorful boxes, each containing a different illustration and a letter. A large black arrow points downwards from the top right of the grid. Below the grid, there is a list of bullet points: '20 slides total', '5 letter-sound matches per page', and 'Moveable pieces within Google Slides™ and Seesaw™'. The website 'babblingobby.net' is mentioned at the bottom.

letter-sound match

This main image shows the digital letter sound match activity interface. It features a grid of five colorful boxes, each containing a different illustration: a rainbow, a blue fish, a purple fish, a nose, and a red apple. Below the grid are five letter cards: 'r', 'a', 'f', 'j', and 'n'. A large black arrow points down from the top right of the grid.

- 20 slides total
- 5 letter-sound matches per page
- Moveable pieces within Google Slides™ and Seesaw™
