

The **CANDY CORN BANDIT**

MAKING PREDICTIONS

Created by **BABBLINGABBY**

The Candy Corn Bandit has stolen candy from your classroom! Use your best predicting skills to follow the clues to figure out where he has taken your treat!

This activity includes everything you need to: teach about making predictions, take your students on a search throughout your building in search of The Candy Corn Bandit, practice sequencing, engage your students in lively discussion, and HAVE FUN!

Created by **BABBLINGABBY**

What is a PREDICTION?

A prediction is a guess you make about the way something might in the future.

I predict

HELLO, MY VERY SPECIAL FRIEND!

I've taken your treat away!
Tracks and treats are my game!
I hope you want to play.
Look for and listen to the clues.
Make your best predictions.
What do I look like and where is your kit?
Do you have some suspicions?
Happy hunting!

THE CANDY CORN BANDIT

find me!

Clue #1

"Where did the treats go?"

you may ask

Finding them will be a task

Okay, kiddos, here's the deal

Check the place you have a

Where was the treat?

Were any of your predictions correct?

YES NO

Why do you think the Candy Corn Bandit took the treats?

Where do you think your treat is? Take a lot of paper where you search. He is not right for. Cut to your best guess to change.
